

3PEAKS PVC DECKING LIMITED WARRANTY

40-YEAR LIMITED LIFETIME PRODUCT WARRANTY | 40-YEAR FADE & STAIN LIMITED WARRANTY

40-Year Limited Warranty

This limited warranty applies to eligible 3Peaks PVC Decking products used in qualifying residential applications. It is written as a combined performance, fade, and stain limited warranty. Coverage is limited to the terms stated in this document.

Product Covered	3Peaks PVC Decking boards and fascia sold as 3Peaks PVC Decking, including Ashwood and White Oak colours, and any additional colours expressly identified by 3Peaks as covered by this warranty.
Residential Term	Forty (40) years from the original consumer purchase date, subject to all conditions, exclusions, limitations, claim procedures, and proration below.
Commercial Term	Ten (10) years from the original purchase date unless a separate written commercial warranty is issued by 3Peaks.
Coverage Areas	Manufacturing performance defects, excessive fade, and eligible food-and-beverage staining under normal use and service.

1. Statement of Warranty

This warranty is given to either (1) the original purchaser of 3Peaks PVC Decking or (2) the owner(s) of the property at the time of installation if different from the original purchaser, collectively referred to as the "Purchaser." The covered 3Peaks PVC Decking boards and fascia are referred to as the "Product."

Subject to the exclusions, limitations, claim requirements, and proration stated below, 3Peaks warrants that the Product, when properly installed, used, and maintained in a normal residential deck application, will meet the performance, fade, and stain coverage described in this warranty for forty (40) years from the date of original consumer purchase.

A "Residential Purchaser" means a single-family residential homeowner using the Product in a non-commercial deck, porch, landing, stair, dock, or similar walking-surface application. Any other purchaser or use is a "Commercial Purchaser" unless 3Peaks states otherwise in writing.

2. Performance Coverage

Under normal use and service, 3Peaks warrants that the Product will be free from material defects in workmanship and materials that occur as a direct result of the manufacturing process and that result in covered performance failure during the applicable warranty period.

Covered performance failures: Covered performance failures include splitting, cupping, splintering, blistering, peeling, flaking, cracking, rotting, or structural damage from termites or fungal decay, where the condition is caused by a manufacturing defect in the Product itself and not by installation, substructure, use, maintenance, environment, or other excluded causes.

Moisture and surface performance: The Product is designed for outdoor exposure and moisture resistance. This warranty does not mean that normal surface wear, minor scratches, texture change, sheen change, ordinary weathering, or colour variation is a defect.

3. Fade Coverage

3Peaks warrants to the Residential Purchaser that, during the forty (40) year residential warranty term and under normal use and service conditions, the Product's colour will not fade from sunlight and weathering exposure by more than five (5) Delta E (CIE) units.

The Product is designed to resist fading, but no outdoor decking material is completely fade-proof. Normal weathering, including minor colour change, slight lightening, variation between boards, or appearance changes caused by dirt, pollen, pollution, moisture, shade, or cleaning residue, is not a covered fade claim unless the Product exceeds the stated Delta E threshold and all claim requirements are met.

4. Stain Coverage

3Peaks warrants to the Residential Purchaser that, during the forty (40) year residential warranty term and under normal residential deck use, the walking surface of the Product will resist permanent staining from common food and beverage items normally present on a residential deck.

Covered food and beverage items may include items such as barbecue sauce, ketchup, mustard, mayonnaise, salad dressing, salad oils, grease, tea, wine, coffee, fruit punch, soda, and similar residential food or beverage spills, provided the spill is cleaned from the Product with soap and water or a mild household cleaner within one (1) week of exposure.

This warranty does not mean the Product is stain-proof. Stains or damage caused by substances not properly cleaned within one (1) week, abrasive compounds, strong acids or bases, paints, stains, solvents, rust, metal dust, rubber mats, grease not related to ordinary residential food use, plant foods, fertilizers, biocides, fungicides, bactericides, construction debris, or non-food and non-beverage substances are not covered.

3PEAKS PVC DECKING LIMITED WARRANTY WARRANTY PERFORMANCE, REMEDIES, AND TRANSFER

5. Obtaining Warranty Performance

If the Purchaser believes a covered defect exists, the Purchaser must notify 3Peaks within thirty (30) days after discovering the alleged defect and before the end of the applicable warranty term. Late claims may be denied.

A claim must include proof of purchase, installation address, purchase date, retailer or dealer name, product identification if available, a description of the issue, clear photographs of the affected area, and any additional information reasonably requested by 3Peaks. 3Peaks must be given a reasonable opportunity to inspect the Product before repair, removal, alteration, or replacement.

Stain claims: Before submitting a stain claim, the Purchaser must first attempt to clean the affected area with soap and water or a mild household cleaner within one (1) week of exposure. If the area remains reasonably unsatisfactory, the Purchaser must have the affected area cleaned by a professional deck cleaner at the Purchaser's expense. If the area still remains reasonably unsatisfactory, the Purchaser may submit a claim within thirty (30) days after professional cleaning is completed.

Claim submission: Warranty claims should be submitted in writing through the authorized 3Peaks dealer from whom the Product was purchased or through the claim process published by 3Peaks. The Purchaser is responsible for keeping proof of purchase and records necessary to support the claim.

6. Exclusive Remedy

After reviewing the information provided, 3Peaks will determine whether the claim is valid. If 3Peaks determines that a claim is valid, 3Peaks will, at its sole option, either replace the affected Product or refund the prorated portion of the original purchase price paid for the affected Product, excluding labour, removal, disposal, freight, delivery, taxes, fasteners, accessories, railing, framing, substructure, finishing work, or other costs.

Replacement Product will be provided as close as reasonably available in colour, design, and quality to the replaced Product. 3Peaks does not guarantee an exact colour, grain, sheen, texture, profile, or design match because products, colours, and manufacturing processes may change over time. Any repaired or replaced Product remains covered only for the balance of the original warranty period.

7. Proration

During the first ten (10) years after original purchase, an approved residential warranty claim is eligible for up to one hundred percent (100%) of covered Product material recovery. Beginning in year eleven (11), recovery is prorated as shown below. Proration applies to Product material only.

Year of Claim	Recovery	Year of Claim	Recovery
Years 1-10	100%	Years 27-30	50%
Years 11-14	90%	Years 31-34	40%
Years 15-18	80%	Years 35-38	30%
Years 19-22	70%	Years 39-40	20%
Years 23-26	60%		

8. Transfer of Warranty

This warranty may be transferred one (1) time only, within five (5) years from the original purchase date, to a subsequent owner of the property on which the Product was originally installed. After a valid transfer, the warranty remains subject to the original purchase date, remaining term, proration, limitations, and exclusions. No additional transfers are permitted.

- The Purchaser must keep purchase records, installation records, and photographs reasonably necessary to support any warranty claim.

3PEAKS PVC DECKING LIMITED WARRANTY LIMITATIONS, LEGAL TERMS, AND REGISTRATION

11. Disclaimer of Other Warranties

Except for the express written warranty stated in this document, 3Peaks makes no other warranties, guarantees, representations, or indemnities, whether express or implied, arising by law, course of dealing, usage of trade, custom, statement, sample, brochure, website, catalogue, or otherwise, including without limitation any implied warranty of merchantability or fitness for a particular purpose.

To the maximum extent permitted by applicable law, all other warranties, conditions, guarantees, representations, and indemnities are disclaimed and excluded. Where applicable law does not allow a disclaimer or limitation of implied warranties, this warranty will be interpreted to provide the minimum warranty rights required by such law and no broader rights.

12. Limitation of Remedies and Damages

The remedies stated in this warranty are the sole and exclusive remedies for any covered claim. 3Peaks' total liability for defective Product shall not exceed replacement of the affected Product or refund of the prorated portion of the original purchase price paid for the affected Product, as determined by 3Peaks under this warranty.

In no event will 3Peaks be liable for labour, removal, reinstallation, freight, delivery, taxes, access costs, disposal costs, delay, loss of use, lost profits, lost sales, loss of goodwill, damage to other property, incidental damages, consequential damages, indirect damages, special damages, punitive damages, or any other damages beyond the limited remedy stated above, except to the extent such limitation is prohibited by mandatory applicable law.

13. Entire Warranty

This document is intended to be the complete and exclusive statement of the 3Peaks PVC Decking limited warranty. No dealer, distributor, contractor, installer, employee, agent, sales representative, website listing, advertisement, sample, estimate, invoice, or other person may alter, expand, or add to this warranty unless the change is in a written instrument expressly authorized by 3Peaks.

If any term of this warranty is found unenforceable, the remaining terms will remain in effect to the fullest extent permitted by law. This warranty gives the Purchaser specific legal rights. The Purchaser may have other rights that vary by province, state, or jurisdiction.

14. Registration and Claim Record

Registration is recommended to help confirm ownership, purchase date, product type, and installation location. Failure to register does not reduce statutory rights where such a restriction is prohibited by law, but the Purchaser must still provide proof of purchase and reasonable evidence supporting any claim.
